Patricia Sparano EFL Instructor

EXPERIENCE

Language Studies International, New York City

ESL Instructor

June 2021 – May 2023

- Used scientifically-backed ESL teaching methods to create lesson plans which promoted English language development in all 5 essential elements of language learning, speaking, writing, reading, oral comprehension and experiential learning
- Led 20 students on average to master English through tailored speaking, writing and reading assignments
- Generated 25+ games and activities increasing student engagement and attendance rates
- Created, administered and graded tests, essays, and quizzes returning all assessments within 3 days
- Monitored student progress collaboratively with students through written and oral tests
- Added significant value to students experience through educational tours in New York City allowing students to practice speaking and test their oral comprehension skills outside of the classroom in a fun and exciting environment
